About Samshow

Samshow Exhibitions was established in year 2012 by Mr. Sameer Bakshi having more than 18 years of experience in business exhibitions and events. We have till now organized more than 24 successful business shows with different themes. Our exhibitions serve as a launch pad for new business aspirants and business promotion opportunity to showcase developments for existing businesses. We provide one-stop solution for organizing exclusive thematic shows and specific need events. We understand the local needs very well and organize our events in very professional manner without leaving any stone unturned to make the shows successful.

About Build n Design

BUILD N DESIGN is a thematic show by Samshow Exhibitions exclusively designed to showcase the various choices available for Architects, Interior Designers, Builders, Engineers, Contractors, Manufacturers and dealers in the building and construction industry giving them an opportunity to be familiar of latest trends and products in domestic and commercial construction industry. This is an opportunity of enhancing business for companies, consultants, designers, Architects and all associated with industry. SAMSHOW EXHIBITIONS offer an opportunity to increase your business awareness through this well organized show
